Daily rule: before any new verse, recite yesterday's verses from memory. Missed a day? Push the plan back by 1 day instead of doubling up.

Why Surah Al-Mulk? The Prophet ﷺ said: "A surah of the Quran containing 30 verses will intercede for its reader until he is forgiven. It is: Blessed is He in Whose Hand is the dominion." ([Sunan Abi Dawud 1400](#), graded hasan by al-Albani)

- 4 Link it to the verse before
- 5 Recite it in your next prayer

After you finish: keep it for life

Every night

Recite all 30 verses from memory, in bed or in night prayer.

Once a week

Recite while someone follows in the Mushaf to catch silent mistakes.

When a verse slips

Go back to its group, read the meaning, and repeat that group for 2 days.
